English Language Teaching Assistant (ELTA) program established in 2021 has been funded by the Ministry of Education. The goal of the ELTA program is to recruit part-time quality English teaching assistants to provide a rich and diverse English learning environment for students in Taiwan's public elementary and junior high schools.

As there will be more public elementary and junior high schools in Changhua, Taichung and Miaoli joining ELTA Program next semester, we want to inform you that we will offer a late application round 'til the end of this month. Applications will be considered on a space-available basis, so it's best to complete the application as soon as possible. All of the applicants are required to complete the form below and upload all the required documents before the deadline. Don't miss it!

**Apply at: <https://forms.gle/FEWFfhfDxNTJwWUG8>**

**Application Deadline: 31st August 2022.**
